## NOTIFICATION TO BE SENT TO APPLICANT ON RECEIPT OF HIS APPLICATION

Your application dated (insert date) has been received and, if on (insert date of expiry of the appropriate period under article 5 (9)) you have not been given notice by the local planning authority of their decision, you are entitled, unless the application has already been referred by the authority to the Minister of Housing and Local Government, to appeal to the Minister in accordance with sections 23 and 24 of the Town and Country Planning Act 1962 by notice served within one month from that date. You may, however, by agreement in writing with the local planning authority, extend the period within which the decision of the authority is to be given.

## PART II

## NOTIFICATION TO BE SENT TO APPLICANT ON REFUSAL OF PLANNING PERMISSION OR ON THE GRANT OF PERMISSION SUBJECT TO CONDITIONS. (TO BE ENDORSED ON NOTICES OF DECISION.)

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may, by notice served within one month of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with section 23 of the Town and Country Planning Act 1962. The Minister has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could

not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provisions of the development order, and to any directions given under the order.

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on [the Council of the county borough or county district in which the land is situated]\* a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VIII of the Town and Country Planning Act 1962.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 123 of the Town and Country Planning Act 1962.

## EXPLANATORY NOTE

*(This Note is not part of the order, but is intended to indicate its general purport.)*

This order replaces the Town and Country Planning General Development Order 1950 (as amended by three subsequent orders), and part of the Town and Country Planning General Development Order 1959.

The order is a general order, applicable to all the land in England and Wales, providing for the grant of permission for the development of land under Part III of the Town and Country Planning Act 1962. It also contains provisions as to the making of applications for planning permission and for determinations under section 43 of that Act. The order amalgamates the provisions of the previous orders and reproduces those provisions in substantially the same form and with reference to that Act.
