#### EXPLANATORY NOTE

*(This Note is not part of the Order, but is intended to indicate its general purport.)*

This order amends the Town and Country Planning General Development Orders of 1950 and 1959.

It extends the obligation of local planning authorities to consult with local highway authorities to cases where the authority deciding an application for planning permission under delegated powers is not the highway authority. (Regulation 2 (a)).

It gives a general permission enabling a shop for the sale of motor vehicles to be used as a shop of any kind. A shop for the sale of motor vehicles is taken out of the general class of shop (changes of use within which do not involve development) by the Town and Country Planning (Use Classes) (Amendment) Order, 1960, S.I. 1960/282 (1960, III, p. 3290), (Regulation 2 (b)).

It limits the size of buildings which may be erected on agricultural land for agricultural purposes under the general permission given by Class VI of the General Development Order of 1950. (Regulation 2 (c)).

It eliminates the obligation to give public notice of an application for planning permission for a gymnasium or a swimming bath which is to form part of a school, college or university. (Regulation 3.)
