**EXPLANATORY NOTE**

*(This Note is not part of the order, but is intended to indicate its general purport.)*

This order amends the Town and Country Planning General Development Order 1963 by adding to Class XII (Development under local or private Acts, or orders) of Part I of Schedule 1 development specifically authorised by orders made under section 14 or section 16 of the Harbours Act 1964. The effect of this amendment is that such development is permitted by article 3 of the 1963 order.

Orders made under section 14 of the Harbours Act 1964 provide for securing harbour efficiency by statutory harbour authorities in improving, maintaining or managing their harbours, and orders made under section 16 of that Act provide for the conferring of powers on persons who wish to construct, improve, maintain or manage harbours or certain docks and inland waterways.
